Reading the general question of Establishments it does not seem advisable to grant increases of pay to existing officials. The work is heavy and a small increase of Establishment seems necessary. The Excise Commissioner
in Mysore.

Sir,

With reference to your docket No. 152/4 dated 9/14 July 1895 I have the honor to forward herewith a Proposition statement showing the nature and amount of work to be done by the Excise establishment in this office and to state that out of the two clerks existing at present, one is working in the District Treasury and he is fully employed there in the preparation of the accounts prescribed by the Comptroller and in attending to the correspondence relating to the same. The clerk attached to the District Office has to attend to the Correspondence both English and Canarese which is daily increasing in quantity and to the preparation and the timely submission of monthly, quarterly and annual D. C & B. Statements and accounts. The collections of Excise Revenue for the year 1894-95 amounted to Rs 5,73,707 for the Kolar District.

District.

2. The Excise work in the District Office has now increased so much that it is not possible for one clerk to attend to the whole work without involving delay.

3. I would for these reasons urge the necessity for an additional clerk, and a Dafterbandi being entertained in this office on a salary of Rs 15 and 5 respectively per mensem and to increase the pay of the present clerk from Rs 25 to 30 and I therefore request that you will kindly obtain the sanction of the Government to the proposal made. It provides also for a Dafterbandi who is necessary to rule statements and help in writing — Kanarese Registers.

4. It is also necessary that a menial establishment should be attached to the Excise Office of the District to serve as orderlies under the Excise Assistant — Commissioner who is now left without any. As the Treasury Assistant-Commissioner has

been

been given some peons, more men cannot be spared out of Deputy Commissioner's establishment without much inconvenience. The proposal therefore provides for 1 Daffedar and two peons for the purpose.

2. Though the 2nd. Inspector and his Establishment may not be required for the Jaglur Taluk, et there are other places where they are needed. My Assistant Mr. Davy has brought to notice that the supervising establishment at the Kolar Gold Fields requires to be strengthened. To safeguard the interests of both the Government and the consumers of Arrack, the services of an Inspector and his establishment are urgently called for on account of the Gold Fields, in addition to the establishment provided for the Bowringpet Taluk in the amalgamation scheme pending before Government. Under such circumstances, I beg to solicit that the 2nd. Inspector and his establishment shown against the

Sir,

In reply to your docket No. 1567-73/82 dated 8th Instant, I have the honor to state that no additional clerks or accountants are wanted in this District, if a permanent Dufter Bund on Rs 8/- be sanctioned. Two peons and a Duffedar will also be wanted so long as the Excise Department continues to be, as at present, under an Assistant-Commissioner without a full menial Establishment of his own.

The pay of the first clerk on Rs 25/- has to be increased to Rs 30/- as proposed by the Kolar Deputy Commissioner. This clerk will then be held responsible for the Department. The pay of the two clerks.

clerks on Rs 20 and 15 should likewise be increased to Rs 25 and 20 respectively. Work in this district is heavier than in all other Districts and the Abkari Revenue is over 3 Lakh.

Sir,

With reference to your Letter No. 15-67-73/82 of the 8th October 1895 enquiring if any increase to the Excise Establishment of this Office is necessary, I beg to state that at present there are three Hands, one on Rs 25, one Rs. 20 and one on Rs. 15. The one on Rs. 25, who is called the

Excise Head clerk, attends to correspondence. The one on Rs 20. does work in the District Treasury. He has very little Excise work to do there. He has only to prepare once in a month an account of the receipts of the Excise department for forwardal to the Comptroller. This is a work which can and ought to be done by the treasury establishment. The district-treasury at Tumkur does so. If this hand is taken back to the Excise department of the district office, he and the third hand on Rs. 15 will be able to attend to the several accounts and periodicals that are to be rendered to you. As the number of these accounts is not small, a hand on Rs 10 for purposes of ruling and keeping the Kanarese "To" and "From" registers is necessary, as also a peon on Rupees 6 to wait on the Excise Establishment.

Sir,

With reference to your No. 1567-73/82, dated 8th October last and subsequent remmders. I have the honor to state that I coneur evith the Deputy Commissioner of Kolar in regard to the necessity for addition to the District Office Excise Establishment. There are only two clerks at present, and they are assigned, one entirely to work in the Treasury and the other under the Excise Assistant-Commissioner, who in this District is the General Duty Assistant-Commissioner. The clerk working in

in the Treasury is fully occupied with the several important Registers which have to be kept and accounts which have to be submitted from the Treasury. On the Excise Clerk working under the Assistant Commissioner devolves a heavy Vernacular Correspondence. This includes diaries of the work of the Executive staff, papers relating to irregularities and offences against Excise Laws disputes regarding Varams and so forth matters of Considerable importance. In the Excise Department more than any other under Government vigorous and efficient administration brings direct increase to the revenue. With all this heavy correspondence, the Excise Clerk is unable to cope. The result is unsatisfactory disposal of work. I have, therefore, the honor to support the proposals of the Kolar Deputy Commissioner.

2. I very much regret the delay in the

the disposal of this reference which was owing to my desire to get thoroughly acquainted with the needs of the case and great pressure of other work.

Excise Commissioner's letter No. 1567-73/82 dated 8th October 1895.

The establishment originally sanctioned for the Excise branch of the District office consists of a clerk on Rs 25/- and a Gumasta on Rs 15/-. Unlike some of the other Districts the latter has not been lent to the District Treasury. Both these hands have always worked in the Excise Office As the work however increased considerably Mr. Srinivasa Iyengar the late Deputy Commissioner found it necessary to strengthen the Establishment and an Inspector from the Jagalur Taluk

was

was accordingly drafted into the District office in June last. The Excise Office therefore now consists virtually of three clerks and a peon; the latter who came with the Inspector from the Jagaloor Taluq being also attached to the Office. The Taluq consists of 3 Sammats comprising only 12 farms and the Amildar has reported that the work is manageable by the one Inspector now left in the Taluq. I beg therefore to propose that the present strength of the Excise Office may be confirmed on the following increased scale of pay: ——

	Rs
Excise Hd Clerk —	30
" 2nd " —	25
" 3rd " —	20
Peon ——	6

The proposed scale is compared with the existing scale in the margin from which it will be seen that the suggested amelioration involves an extra expenditure of
